

**Prudential**

## **Home Prices in Your Community**

Knowing how much homes are selling for in your community is one key factor to consider when determining the selling price range of your home. Keep in mind . . . your home is only worth what someone is willing to pay for it.

[Contact us!](#) We will connect you with a qualified real estate professional.

Expect our experienced sales professional to . . .

- Prepare a market analysis of the homes recently sold in your community
- Share in-depth knowledge of current market conditions
- Help you determine the market value of your property

Working with a Prudential Real Estate and Relocation Services Sales Professional helps ensure your property receives maximum exposure to attract interested, qualified buyers . . . buyers willing to make an offer.
